# CHEMTOOL INCORPORATED

## STRATEGIC MARKETING AND BUSINESS DEVELOPMENT

Chemtool Incorporated is committed to the pursuit of developing innovative products for investment in new markets and to meet our customers' changing needs. This pursuit is conducted in a culture of continuous improvement with respect to quality, safety and the environment.

Each Chemtool Incorporated facility contains fully staffed quality control laboratories that are monitored rigorously to ensure our quality and technical support consistently deliver exemplary results that meet our customers' expectations.

## QUALITY POLICY

Chemtool Incorporated will provide products and services that consistently meet or exceed the expectations of our customers. We will manage and continually improve our business processes to meet our quality objectives.

## OUR MISSION:

To leverage our world class manufacturing, customized packaging capabilities and industry leading technology to create sustainable value for our customers.

## OUR VISION:

To become the preeminent specialty lubricants, grease and functional fluids solution provider to the global marketplace.
